

Senior Cycle Design and Communication Graphics	Development Group Meeting 2 24 October 2024 Short Description
Agenda Item	Notes
<b>Updates</b>	Recent school visits included focus group discussions with students, teachers, and school leaders on DCG. Feedback will guide the Background Paper and brief (BGP) for the redevelopment of DCG. The BGP is set for presentation to the board for Senior Cycle in November.
<b>Feedback from school visits</b>	Insights focused on the broader context of DCG, teaching, learning and assessment in DCG, and implementation issues for a redeveloped DCG subject specification.
<b>Further development of the Rationale and Aims</b>	Members revisited their work regarding the rationale for the subject. They considered the following question: What should the Rationale emphasise regarding the identity of Design and Communication Graphics?
<b>Exploring Continuity and Progression</b>	Members began their discussions on continuity and progression for students in DCG.
<b>Knowledge, skills, values and dispositions</b>	Members began to consider the knowledge, skills, values and dispositions students should develop through their study of DCG. They considered the following question: What does a well- educated Design and Communication Graphics student look like for the 21st Century?"
<b>Next steps and next meeting</b>	The chair reflected on the work done and thanked the members for their attendance and contributions.  <b>Next Meeting:</b> 26 November 2024
