

Senior Cycle Construction Studies	Development Group Meeting 4 11 th September 2024 Short Description
Agenda Item	Notes
Update	The Senior Cycle Redevelopment Programme Delivery Board is seeking a note from the development group offering their suggestions regarding the assessment arrangements for the subject.
Feedback from the online consultation	A synopsis of the feedback from the recent online consultation was presented to the group to inform their work.
Key Competencies in senior cycle	The development group explored how the senior cycle key competencies can be developed through the study of Construction Studies.
Exploration of draft learning outcomes- Strands 1 & 2	A discussion took place on the selected action verbs, the focus of learning, and any potential terms that may need further clarification. Opportunities to refine language and reduce duplication were also identified.
Exploration of draft learning outcomes- Strands 3 & 4	The group worked on drafting learning outcomes for Strand 3 and Strand 4. Further consideration was given to the 'students learn about' column and suggestions for improvement were made.
Next steps and next meeting	<p>Draft learning outcomes across the four strands of study will be shared ahead of the next meeting.</p> <p>The chair reflected on the work accomplished and thanked the members for their attendance and contributions.</p> <p>Next meeting: 23rd September 2024</p>
