

Senior Cycle Construction Studies	Development Group Meeting 8 Tuesday 3 <sup>rd</sup> December 2024 Short Description
<b>Agenda Item</b>	<b>Notes</b>
<b>Welcome by the Chair, minutes of the last meetings</b>	The minutes of the last meeting were discussed and adopted.
<b>Feedback and the further development of draft learning outcomes</b>	The Development Group continued refining the areas of learning and draft learning outcomes. They emphasised the importance of keeping the course content manageable for both teaching and learning while also identifying potential gaps in learning.
<b>Teaching to support student learning</b>	The Development Group examined the potential for incorporating applied learning tasks into the subject. They identified several possible tasks and recognised the need for further exploration of these and additional options.
<b>Exploring one AAC in Construction Studies</b>	The Development Group discussed what 1 AAC could look like in Construction Studies. Members outlined what one AAC would assess, what evidence of learning could look like, the limitations of one AAC, and possible ways forward in the context of one AAC.
<b>Next steps and next meeting</b>	<p>The chair reflected on the work accomplished and thanked the members for their attendance and contributions.</p> <p><b>Next meeting:</b> 8<sup>th</sup> January 2024</p>
