

PP SEN	Development Group Meeting 2: 11-01-23
Overview of function of the Development Group	The Education Officer gave a brief overview of the brief of the development group. The needs of the students are at the centre of the development of the new modules in senior cycle.
Level 1/Level 2 Learning Programme – Background and Rationale	Emerging themes from the Level1 and Level 2 LP Review were shared with the group and the issue of accessing the L1/L2 LP were discussed. It was agreed that a multi-disciplinary approach to assessing student needs was the most appropriate approach to take when determining whether a student should participate in the L1 or L2 LP.
Understanding the profile and learning needs of students following L1LP's and L2LP'S	The group split into a number of smaller groups to look at a number of case studies of students following L1LP's and L2LP's. They discussed how different pathways through senior cycle might best benefit each student. This gave context to the curricular process that they were going to engage in.
Next Steps	Next Meeting 20-02-23 The Chair brought the meeting to a close and reiterated the valuable work the group were now engaged in. The Executive will review the discussion and suggestions and prepare draft material for the next meeting.
