

LC Climate Action and Sustainable Development	Development Group meeting #8: 30.03.23
Agenda item	Short description
Teaching and learning section	Notes
Teaching and learning section	The group deliberated over the most appropriate way to describe action in the Teaching & Learning section of the specification. Areas considered included the scope of action in response to changing contexts and the importance of youth-led action.
Continued work on the strands/learning outcomes	The Executive gave an input on learning outcomes. DG members worked in small groups looking at the draft learning outcomes in Strand 3. They suggested revisions and discussed these in the plenary.
Next steps	The chair reflected on the work of the meeting and thanked the members for their attendance and contributions. Next Meeting: Monday, 24 th April 2023.
