

<b>PP SEN</b>	<b>Development Group Meeting 4: 28<sup>th</sup> March 2023</b>
<b>Pathways at SC</b>	It is noted that schools are currently following different localised pathways in terms of providing on going education for students who had previously engaged in L1/L2 LPS
<b>Insight in to international trends and pathways</b>	The group examined New Zealand, Queensland (Aus), New Brunswick (Canada) and Wales (UK) and noted their approaches to upper secondary level educational inputs for students with General Learning Disabilities
<b>Discussion on follow-on modules</b>	The DG discussed a variety of suggested modules for engagement at senior cycle. The group explored areas of learning, considered learner experiences and examined potential elements attached to each module. Continuity and progression was discussed as being important and appropriate within this framework.
<b>Issues for consideration</b>	The DG discussed issues and challenges that may occur at senior cycle level
