

Senior Cycle Construction Studies	Development Group Meeting 1 27 February 2024 Short Description
Agenda Item	Notes
Induction for all 7 development groups	A joint induction session was held for all development groups, with an overview given of different aspects of NCCA's work: structures and processes, developing a curriculum specification, and roadmap and timelines.
Breakout room	After this induction session, the LC Construction Studies development group went to their own meeting room.
Welcome from the Chair	Each member of the LC Construction Studies development group introduced themselves.
Presentation and discussion on the Background Paper	An overview was given in relation to three sections of the background paper and brief for LC Construction Studies: school insights, international trends in upper built environment education and emerging issues for consideration. The group had an opportunity to comment on these sections of the background paper.
Initial scoping of purpose, rationale and aims	Members worked in small groups to consider the purpose, rationale and aims of LC Construction Studies.
Next steps and next meeting	The chair reflected on the work done and thanked the members for their attendance and contributions. The Executive will review the discussions on purpose, rationale and aims, and prepare a reading note and draft materials for the next meeting. Next meeting: 09 April 2024
