

LCVP	Development Group Meeting 4, September 10 th , 2024. Short Description
Agenda Item	Notes
Updates and potential Structure	The Executive provided updates on the Rationale and Aims. The Experiential Learning Cycle was discussed as a possible overarching model for the two modules.
Potential structure	The Development Group considered key areas of learning they had previously identified and looked at a modular structure. Possible themes for Module One included personal understanding, the development of a personal profile and career progression. Module Two included action in the community, work experiences and career pathways. Common threads across the modules discussed include enterprise, collaboration, research skills, financial literacy and a learning journal or portfolio.
Potential structure continued	The Executive provided an overview of the approach to learning outcomes in newly developed specifications as outlined in the technical format of curriculum paper. A discussion on the usefulness of LCVP as a programme versus a module occurred.
Next steps	The Chair reflected on the work completed to date and thanked members for their attendance and contributions. Next meeting: October 7th, 2024.
