

Senior Cycle Construction Studies	Development Group Meeting 6 Wednesday 2 nd October 2024 Short Description
Agenda Item	Notes
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Updates	The group was informed that the LC Design and Communication Graphics (DCG) development group held their induction meeting on Monday 30 th September. They will progress the redevelopment of the subject over the coming year.
Feedback and the further development of draft learning outcomes	Further review and refinement of the learning outcomes and subject scope is needed. The number of learning outcomes should be manageable to prevent overwhelming breadth.
Assessment in Construction Studies	An open discussion on assessment in Construction Studies focused on core learning, evidence of learning, and preferences for the number of assessment components. A majority of members recommended two additional assessment components (AACs). They outlined why 2AACs would be necessary in the redeveloped subject.
Next steps and next meeting	<p>The chair reflected on the work accomplished and thanked the members for their attendance and contributions.</p> <p>Next meeting: 7th November 2024</p>
